## CAREER HISTORY

- Oct 2017 – Aug 2018 Policy Coordinator and Grants Manager, American Alpine Club, Golden, CO
- Assisted with advocacy regarding public lands, guide and outfitter permitting, and protection of fragile mountain and climbing environments. Coordinated major three-day advocacy event, "Climb the Hill," in Washington, D.C., in May of 2018, bringing together professional climbers and legislators.
  - Conducted historical and policy research, wrote policy papers, memos, and statements, cultivated and maintained relationships with partner organizations and policy makers.
  - Administered climbing, conservation, and research grants. Conducted data analyses on most popular grant to derive year to year relationships between demographics, proposed objectives, and awarded grants.
  - Provided administrative assistance to the CEO and Board of Directors, including coordinating and running multiple board committee meetings.
- May 2017 – Aug 2017 Rocky Mountain Program Intern, Colorado Outward Bound School, Leadville, CO
- Assisted as part of field instructional team during fifteen-day alpine backpacking course.
  - Provided technical rock climbing instruction and logistical support to courses and basecamp.
- Aug 2016 – Feb 2017 Public Lands Communications Intern, National Wildlife Federation, Denver, CO
- Wrote and edited emails, action alerts, and websites for public lands and conservation campaigns.
  - Created blogs, social media shares, and graphics for online advocacy and education.
- May 2016 – Aug 2016 Lead Instructor and Camp Coordinator, Clark Sports Center Adventure Department, Cooperstown, NY
- Instructed eleven-day backcountry canoe trips for thirteen-year olds with experiential education models.
  - Developed and implemented environmental education programs for day camps.
  - Facilitated indoor and outdoor rock climbing and challenge course programs.
  - Also served as lead instructor, camp coordinator, and climbing wall instructor March 2014 – August 2014.
- Sept 2014 – May 2016 Environmental Education Assistant, Robert J. Bernard Biological Field Station of the Claremont Colleges, Claremont, CA
- Developed and implemented environmental education curriculum for fourth, fifth, and sixth grade students, involving inquiry-based learning in the classroom and at the field station, with a focus on biodiversity.

- Jan 2015 – May 2016 Outdoor Education Assistant, Outdoor Education Center of Pomona College, Claremont, CA
- Assisted Claremont Colleges' students, faculty, and staff with renting outdoor gear and planning outdoor recreation trips.
  - Planned, advertised, and facilitated workshops, films, and speaker series. Used social media to promote events.
- Sept 2014 – Dec 2014 Exhibit Curator, Claremont Colleges Library Special Collections, Claremont, CA
- Analyzed archival resources and co-curated exhibit of rare books, titled "Navigating Culture: Islam and Encounter in the Indian Ocean World."
  - Coordinated exhibit opening event and related lectures.
- July 2011 – May 2012 Exchange Student, Rotary International Youth Exchange Program, Surat, Gujarat, India
- Lived with three host families, attended public school and cultural classes, and studied Hindi and Gujarati.
