

Biographical Statement

I am a Fulbright Foreign Student scholar representing the island-nation of Antigua and Barbuda. I'm a second year MA student in the Women's, Gender, and Sexuality Studies program at the George Washington University. This is the first time I am presenting at an academic conference. My academic interests include intersectionality, gender performativity and agency, and revisionist feminist history via women's fiction. In my spare time, I enjoy ballet and tango, as well as taking pictures and writing reviews of my favorite novels on Instagram (@booklempt.gyal).
